

Duluth Preservation Alliance

Centennial Homes Recognition Program

Thank you for applying for the Centennial Homes Program. You will need to submit an application form, providing some essential information about your home. Application forms, and guidance for researching the history of your home, are available as Adobe Acrobat PDF files which you can download from the Duluth Preservation Alliance's web site: **duluthpreservation.org**. They are included with this letter if you requested them.

Please remember that the application form must be mailed by April 19, 2010 in order to qualify for the award this year. When your application is received, Preservation Alliance members will consider the criteria to determine if your home meets the requirements. Criteria are found on the application form. Criteria apply **ONLY** to exteriors of houses, not to interiors.

Owners of homes which meet the criteria will be notified about May 1 and will be invited to the award ceremony to receive a framed certificate honoring the house. The ceremony is usually scheduled during the second or third week in May. It must be emphasized that the Centennial Homes award is an honorary award and does not provide financial assistance. We hope recognition of older, well maintained homes will encourage preservation of Duluth's historic residences.

Good luck with your research. If you have questions about the application form or the research required, please call and someone will assist you.

When your application is complete send it to Jane Shull at the address below.
